

It Has Been Said...

"I can not begin to tell how greatly you blessed our congregation. The Steinberg Team's presentation REALLY touched our folks. They came expecting to hear some good music. But, the evening consisted of far more than music. Your humor, songs and most importantly your message and the words from Ellen reached deep into the hearts of the people. The Spirit of God was so present and so precious!"

Rev. Larry Hale, Pastor
Glenvale Church of God, Marysville, PA

"Thanks for being with us at the Rosen Centre for AGRM's 2012 Convention. Your testimony is still as powerful as it was when I first heard you. Our attendees apparently thought so too...As we thought, it was a perfect way to end the event.

Thank you, Jeff, for your faithfulness to The Lord & your friendship over many years.
John Ashman, Director
Association of Gospel Recue Missions, Colorado Springs, CO

"Jeff Steinberg has been a friend for decades. He has recorded and shared many of my songs and has made them live for thousands of people...like nobody else could. I've watched Jeff start from scratch a number of times with a new audience, then one hour later, they were putty in his "hand" (hook). God uses him to shake strong mind-sets, to move, motivate and inspire people."

Gordon Jensen, Singer/Composer/Recording Artist
Nashville, TN

"I have been working in prisons for almost 26 years and I have rarely seen the type of impact your visit had. You managed to show large groups of prisoners that the worst kind of pity that anyone can have is self pity. You are an inspiration to me personally and I hope that you will one day return to re-energise both my staff and prisoners who since you left have been buzzing about what they can do for themselves...fantastic event! Any Prison Governors considering booking Jeff and team it is well worthwhile.

Mr. Wyn Jones, Governor
HMP Dovegate, Uttoxeter, Staffordshire, ENGLAND UK

"I write to affirm the gifts and commend Jeff Steinberg...one of the most unique witnesses I've known. He is an excellent musician, add to that a powerful testimony of the overcoming goodness of God & you have a combination that is unbeatable."

Dr. Maxie Dunnam, Chancellor (Retired)
Asbury Theological Seminary, Wilmore, KY

Jeff Steinberg is the Rocky of the "handicapable."
Pat Boone, Entertainer, Hollywood, CA

"SINCE MEETING JEFF STEINBERG IN THE 70's he has Challenged, Inspired, Enabled and Empowered people of all ages, races, creeds wherever I have pastored.

While times and music genre's within and without the church have dramatically changed, Jeff's LIFE, PERSONA, MUSIC and message that everyone is "A Masterpiece in Progress" is more relevant today than ever before."

Rev. Jon Gray, Former Senior Pastor
Covenant Fellowship, A Church of the Nazarene Mount Juliet, TN.

"Mr. Jeff Steinberg was a presenter at our conference in Panama City Beach, Florida and gave an outstanding presentation. His story of his life, the songs he sang, even the jokes he told, portrayed an amazingly strong person! His entire presentation was very well received by our attendees as was evident by his gracious reception of them after his address.

Mr. Steinberg had traveled all night to get to the venue and had no sleep but still was able to provide us with a wonderful, theme appropriate program. I, for one, was very impressed and humbled by his story and I took away a strong message that i will carry throughout my life! God makes no mistakes!"

Thank you Jeff Steinberg!
Evelyn Cox, CANAR

"Jeff Steinberg teaches how to make it on grit, gumption, God and an indomitable will to overcome severe physical limitations."

Zig Ziglar, Motivational Teacher / Author, Dallas, TX

"Jeff Steinberg has a unique ability to communicate with audiences of any ages. Because of his stature, children relate to him and listen with rapt attention when he talks about problems of life. Adults are captivated by his tenacity to function despite perceived disabilities...Jeff is able to shock people out of their self-pity and helps them to live productive lives. His singing abilities only add to an event filled with humor, self examination and spiritual food. I dare you to experience Jeff Steinberg and his unique Ministry. You will never be the same again."

Duane Nicholson, Tenor

"I highly recommend Jeff Steinberg to any Church that wants to be blessed. His is a Ministry that truly touches the hearts. One minute you're crying, and the next minute you're falling out of your seat laughing. One thing is sure, have Jeff Steinberg, & you will be challenged as never before to give God your all."

Rev. Mark Gill, Pastor

"Those who weren't there really missed out." That was the common opinion of members of the local congregation and community in and around Eglinton Presbyterian Church here in North Belfast, following a concert and church service led by The Jeff Steinberg Team...

It's true that we are all uniquely crafted by God's divine hand, but it is fair to say that in so many ways Jeff Steinberg is uniquely 'unique.' A gifted communicator in the spoken word and in song, Jeff is able to communicate...to people of all ages in ways that make them sit up and listen. His sense of humor - is infectious!

We were delighted when over our weekend with Jeff one 17 year old committed his life to Christ. Many more (old and young) were moved, often to tears...

Jeff's school ministry was something to behold, holding the attention of hundreds of (normally cynical!) teenagers as he told them his life story and of his coming to faith. The Tiny Giant made an impact that was giant rather than tiny..."

Rev. Colin Morrison, Minister
Eglinton Presbyterian Church, Belfast, NORTHERN IRELAND

"I have known Jeff Steinberg for over 20 years. He has been in a number of my churches for special services. Each service has been outstanding! He communicates with the people in both music and testimony... It is a joy to recommend Jeff to you without reservation."

Rev. Charles Kirby, Senior Pastor
Lake Gibson, Church of The Nazarene, Lakeland, FL

"I would heartedly recommend that your school contact Jeff Steinberg for future motivational speakers. Jeff was born with many physical handicaps but has not let them stop him from being an exceptional, dynamic person. When Jeff spoke with the students of Westwood Heights, grades K-12, they were extremely captivated. His rapport with children of all ages is evident, along with his message that there are no limits to what a person can do."

Brenda Battle-Jordan, President
Westwood Heights Board of Education, Flint, MI (2008-2009, 2010 -2011)
Dean Of The Board Of Education, Flint, MI (2012 -2013)

A Masterpiece In Progress
JEFF STEINBERG

Jeff Steinberg wants you to know that "God Has A Unique Design For Your Life!" He knows. He was born with what others would call Handicaps - He has NO arms or hands, and malformed legs.

He has faced physical and personal challenges that would cause many folks to quit.

Jeff spent most of his early life in hospitals, including Shriners' Hospital for Crippled Children in Philadelphia, PA for more than five years, and The Good Shepherd Home for the Physically Handicapped in Allentown, PA, where he lived until he was 19.

Jeff believes that... "God makes the Impossible - Probable!" He lives it everyday - he proclaims it everywhere he goes,

"A handicap is anything that keeps me from being or becoming all God designed for me to be!" He will help you realize for yourself that "You're a Masterpiece In Progress!"

A highly sought after Inspirational Speaker, Christian Humorist/Comedian and Singer, this **Tiny GIANT** is a husband, father and grandfather. He has a most unique challenge for you, your ministry family and your community:

"Quit focusing on the Handicap and start appreciating the Gift."

In his distinctive style, using humor and song, Jeff shows us that each person is wonderfully created to be "...awesome and wonderful" with potential they never even dreamed possible.

Jeff has traveled worldwide for more than 40 years, speaking on topics including:

- "All That I Can Be...I CAN BE!!" – ...Discover the "unique design" that is "ME" – positives and negatives, strengths and weaknesses, abilities and "disabilities" –
- "How Handicapped Am I??" – Everyone has limitations. Our limitations need not "Handicap" or define us.

He shares that regardless of our limitations, we each have potential we never dreamed possible.

"God uses the least likely person to accomplish the most extra-ordinary thing, in a most unique way."

Jeff also offers consulting regarding disability and accessibility issues. "It's not enough to just know the rules!"

He is the recipient of the prestigious 2015 **Artist Music Guild Heritage Award** for Comedian of The Year, and a nominee in multiple other categories.

Jeff Steinberg is an inductee into **The Good Shepherd Hall of Fame for Persons with Disabilities** for his achievements in the field of music, for his advocacy for the physically challenged and for carrying the message that everyone is a Masterpiece In Progress.
